SUPERINTENDENT OF SCHOOLS

Marilyn L. Zaretsky

June 22, 1999

To Whom It May Concern:

It gives me great pleasure to write this letter of recommendation for Dave Tabachnick.

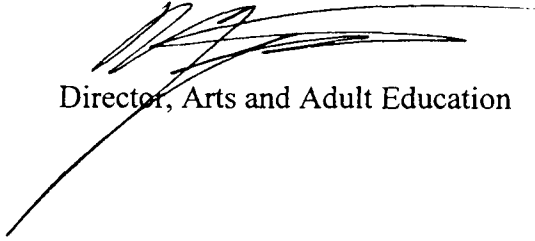

Mr. Tabachnick has been the piano tuner and piano technician for the South Huntington Schools for more than a year and a half.

He demonstrates the highest level of competence. Complaints about tuning and adjustment were common prior to engaging the services of Mr. Tabachnick. I doubt there has been a complaint or concern since.

Mr. Tabachnick is professional, reliable and flexible. He accomplishes his task without interrupting school flow. He is prompt and courteous in returning calls and setting up appointments.

He has earned my highest recommendation.
