Dear Dave:

This letter is to thank you for the superb job you have been doing as our piano tuner for the GPJAC concerts. As you know, we have had performances from some of the finest pianists in the world and we have been uniformly pleased with the quality of both the tuning and the consistency of the service.

As you well know, we have had a number of near-disasters when pianos that were supposed to be tuned were not to our standards. You, on impossibly short notice, were able to save several concerts. We regard you as the "official" piano tuner of the Greater Port Jefferson Arts Council.

Yours truly,

Fred Levine
