COUNTY COMMUNITY COLLEGE

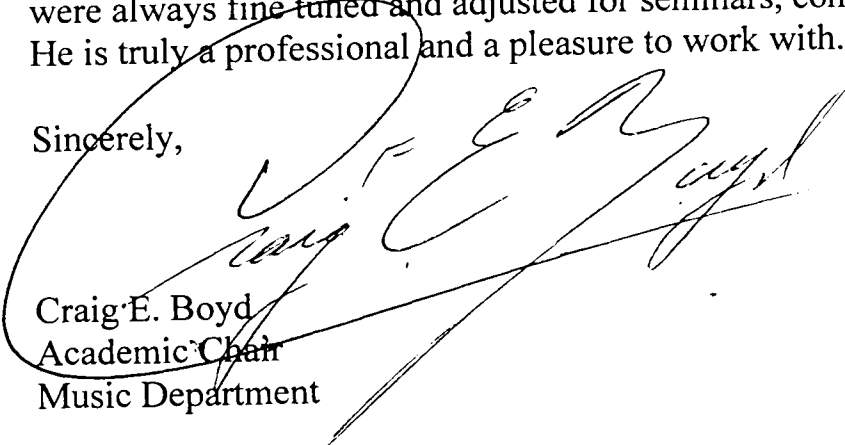

College Administrative Offices

August 21, 2000

To Whom It May Concern:

For over five years, Suffolk County Community College Music Department has entrusted the maintenance and care of all of our acoustic pianos throughout our department and the theatre to Dave Tabachnick. His work has proven to be irreproachable and of the highest quality. We are truly satisfied with his service. Dave, on many occasions, has gone beyond the call of duty working in awkward time frames to make sure that our pianos were always fine-tuned and adjusted for seminars, concerts, programs, etc. He is truly a professional and a pleasure to work with.

Sincerely,

Craig E. Boyd  
Academic Chair  
Music Department
